

SOLD

, Junee

Set in the most select location in Junee, right on the golf course, this fine residence is an investment of quality and timeless appeal. As you sit on the front balcony, your outlook is priceless! The kitchen and the bathroom have both been renovated adding a feeling of luxury living. The kitchen features clean lines and simplicity with the finest stainless steel appliances. The walk in pantry makes cooking a breeze... it's all right there in front of you. The high press metal ceilings as you walk into the family living area are equally matched by the stain glass windows. This home offers three bedrooms, a sunroom and a study. There is a fabulous outdoor entertaining area, perfect for any gathering. This secluded setting is surrounded by beautiful trees and has been designed uniquely to define pure relaxation. Set on a large block, there is a garden shed, rear lane access, under house storage, single lock up garage and a work shop. What more do you want...Homes in this prestigious location don't come up very
