1 Ball Street, Junee

If you are waiting to build your dream home or investment property, then take the time to inspect this 1012m2 block. Positioned at the end of an unformed road with rural aspect this vacant block has had all the hard work done, with the completion of a boundary fence and recently planted hedges and garden for privacy once established.

This site has sewerage available at the southern end of the block and Junee Shire Council require the entry road to be formed to approve a development application. The block has been surveyed and a shipping container is available for storage.
