27 Commins Street, Junee

If you are looking for a centrally located, low maintenance "Railway Cottage" then this property may just tick all the boxes. Stylishly renovated throughout all the hard work has been done. As you enter the property you are greeted by a lengthy hallway which leads to the two main bedrooms - main with built in robe and shutters on the window to compliment the space.

The open plan living room features a gas fire and there is ducted evaporative cooling available for the summer months. The kitchen is the heart of the home with abundant storage available and convenient walk-in pantry. The recently renovated bathroom is modern and functional.
