RE/MAX
VISION

NOTE:

All final inspections will be conducted using the condition report relating to the condition of the premises at the commencement of the tenancy.

To assist in a prompt bond refund, RE/MAX Vision requires the property to be returned in the same condition if not better, than what it was given.

If you hired a cleaner directly, please ensure you check the work that they have completed. If any items are highlighted by our office as missed it is up to you to contact the cleaner directly to resolve the issue.

If you have any further questions or need to ask advice in relation to your pending final inspection, please contact our office on 6924 4000
